

Profile

Hello! My name is **Thomas van Noppen**, and I am a certified graphic designer from the Netherlands. I received my bachelor's degree in communications and multimedia design from the University of Applied Sciences in Rotterdam, where I also studied UX/UI design. With **8 years** of experience under my belt, I am dedicated to meeting the needs and behaviors of users while also considering the needs of clients. **Thank you for considering my skills and experience.**

Thomas van Noppen

Multimedia designer | UX/UI Design

Work Experience

Webdeveloper

2022

Cherry-Group | Communication & marketing

At Cherry I had the opportunity to go through the entire design process from start to finish, gaining a deeper understanding of how ideas evolve and are brought to fruition.

Webdeveloper | **user-friendly designs** | **Creating visually appealing designs**

Multimedia Designer/UX/UI Designer

2019-2021

Graficelly | marketing & local newspaper

Here I worked with professional copywriters, designers, publishers and editors.

Working at a newspaper taught me to make my final projects precise and accurate.

Video editor | **UX/UI Design** | **Lead Designer online media platform** | **Design advertisements**

Creative conceator, Designer

2018-2019

Apollo 11 | concept/design studio

At Apollo 11 in Amsterdam I had the privilege of working with lots of creative experts. Here I expanded my abilities when it comes to design, planning and international communication.

Product design | **Prototyping** | **Social Media** | **Product presentations** | **Webshop development**

Graphic designer

2015-2017

BURO VINK | design studio

I was taught to work with internal company structures and how to design for the real market.

I experienced the design process from start to finish and how ideas turn from concepts into reality.

Graphic design | **Webdevelopment** | **Printmedia designer** | **packaging designer** | **advertisements**
